# Gerab National Enterprises

Established in 1977 in Dubai, Gerab has emerged as a premier stockist and supplier of a diverse range of bulk materials, including seamless pipes, welded pipes, fittings, flanges, valves, gaskets, nuts, stud bolts, drill bits, connectors, and more. Our extensive inventory caters to a wide spectrum of industries such as oil, gas, petrochemical, power, renewable energy, manufacturing, and various process industries.

Over the years, Gerab has diligently expanded its footprint across the region and internationally, ensuring prompt delivery of top-notch products and services to our valued clientele across different sectors.

**| Your Business. Our Commitment |**

# Mission, Vision & Core Values

## Our Vision

If it's a Piping Solution, Gerab will be there.

## Our Mission

We are passionate about adding value, cultivating trust, and building relationships.

## Our Core Values

**Think Customer First**

**Work Together**

**Give & Earn Respect**

**Take Ownership**

**Innovate With Simplicity**

**| Your Business. Our Commitment |**

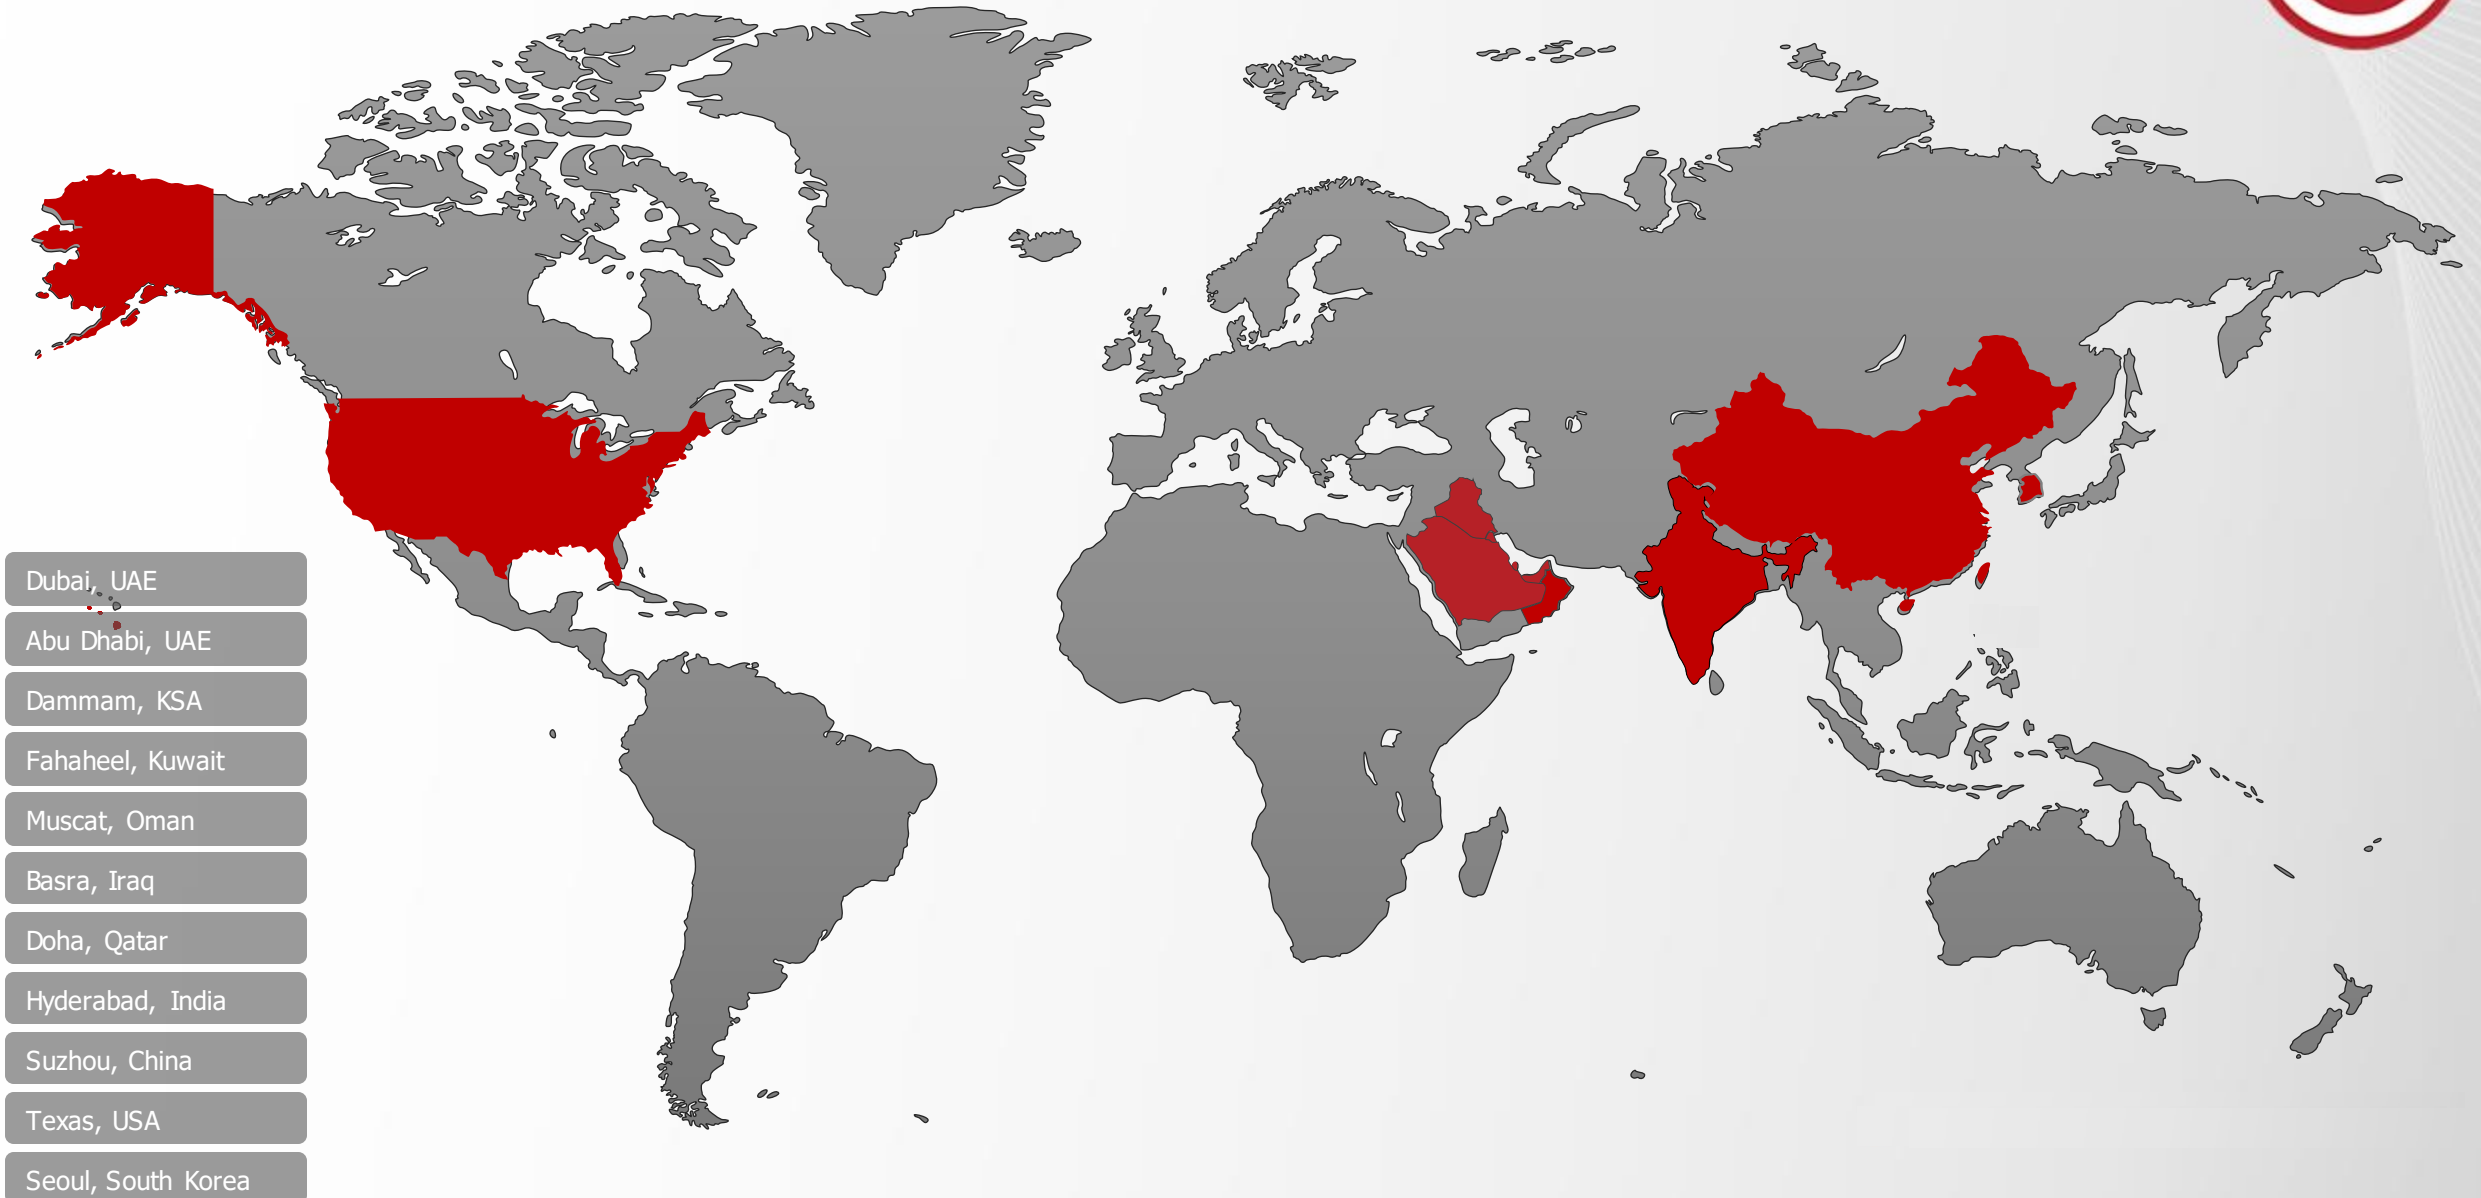

# Our Strengths

- **Major stockist** of pipes and allied components.
- Exclusive **distribution agencies** from global manufacturers.
- **UAE ICV** certified, showcasing a commitment to local economic development.
- Diverse inventory meeting both **regional and international specifications.**
- Preferential support from **major manufacturers.**
- **Procurement excellence** centers strategically located across geographies. (China, India, and UAE)
- **ISO** standards since 1997.
- Offering **full piping solution** package suitable to customer needs.
- Supplier to major **National and International Oil Companies, EPCs, FPSOs, and other Industries.**
- Highly qualified **Quality Control and Technical Support Team**

| Your Business. Our Commitment |

# Gerab Global Presence

Dubai, UAE

Abu Dhabi, UAE

Dammam, KSA

Fahaheel, Kuwait

Muscat, Oman

Basra, Iraq

Doha, Qatar

Hyderabad, India

Suzhou, China

Texas, USA

Seoul, South Korea

# Our Infrastructure

## Warehouse Locations:

- **UAE:** Dubai JAFZA north and south
- **Saudi Arabia:** Dammam port area and Azizia
- **Iraq:** Um Qasr

## Available Services:

- Open Yard facilities
- Bulk storage facilities
- Racking facility
- Shelving facility
- Stock marshaling
- Marking and Color coding
- Barcoding
- Cross-docking
- Container stuffing
- Special Packing
- Preservation – cleaning, varnishing
- Segregation for inspection
- Inventory management
- Warehouse management system
- Documentation & materials tracking

| Your Business. Our Commitment |

# Available Expertise

**Experienced Commercial Team**

**Technical Support Team**

**Strategic Sourcing Team**

**Quality Control Team**

**Project Management Team**

**Logistic Experts**

**| Your Business. Our Commitment |**

# QC & Technical Support Expertise

Highly qualified team, equipped with diverse array of technical tools, ensuring stringent adherence to quality standards. With their technical expertise, we guarantee the procurement of the right materials tailored to meet each customer's specific

## Areas of Specialization

**Technical Specification Proficiency**

**Expert Inspection**

**Technical Issue Resolution**

**Collaboration with Laboratories and Inspection Agencies**

**Sub vendor Management Proficiency**

**Documentation Mastery**

**Process Improvement Initiatives**

# Industries We Serve

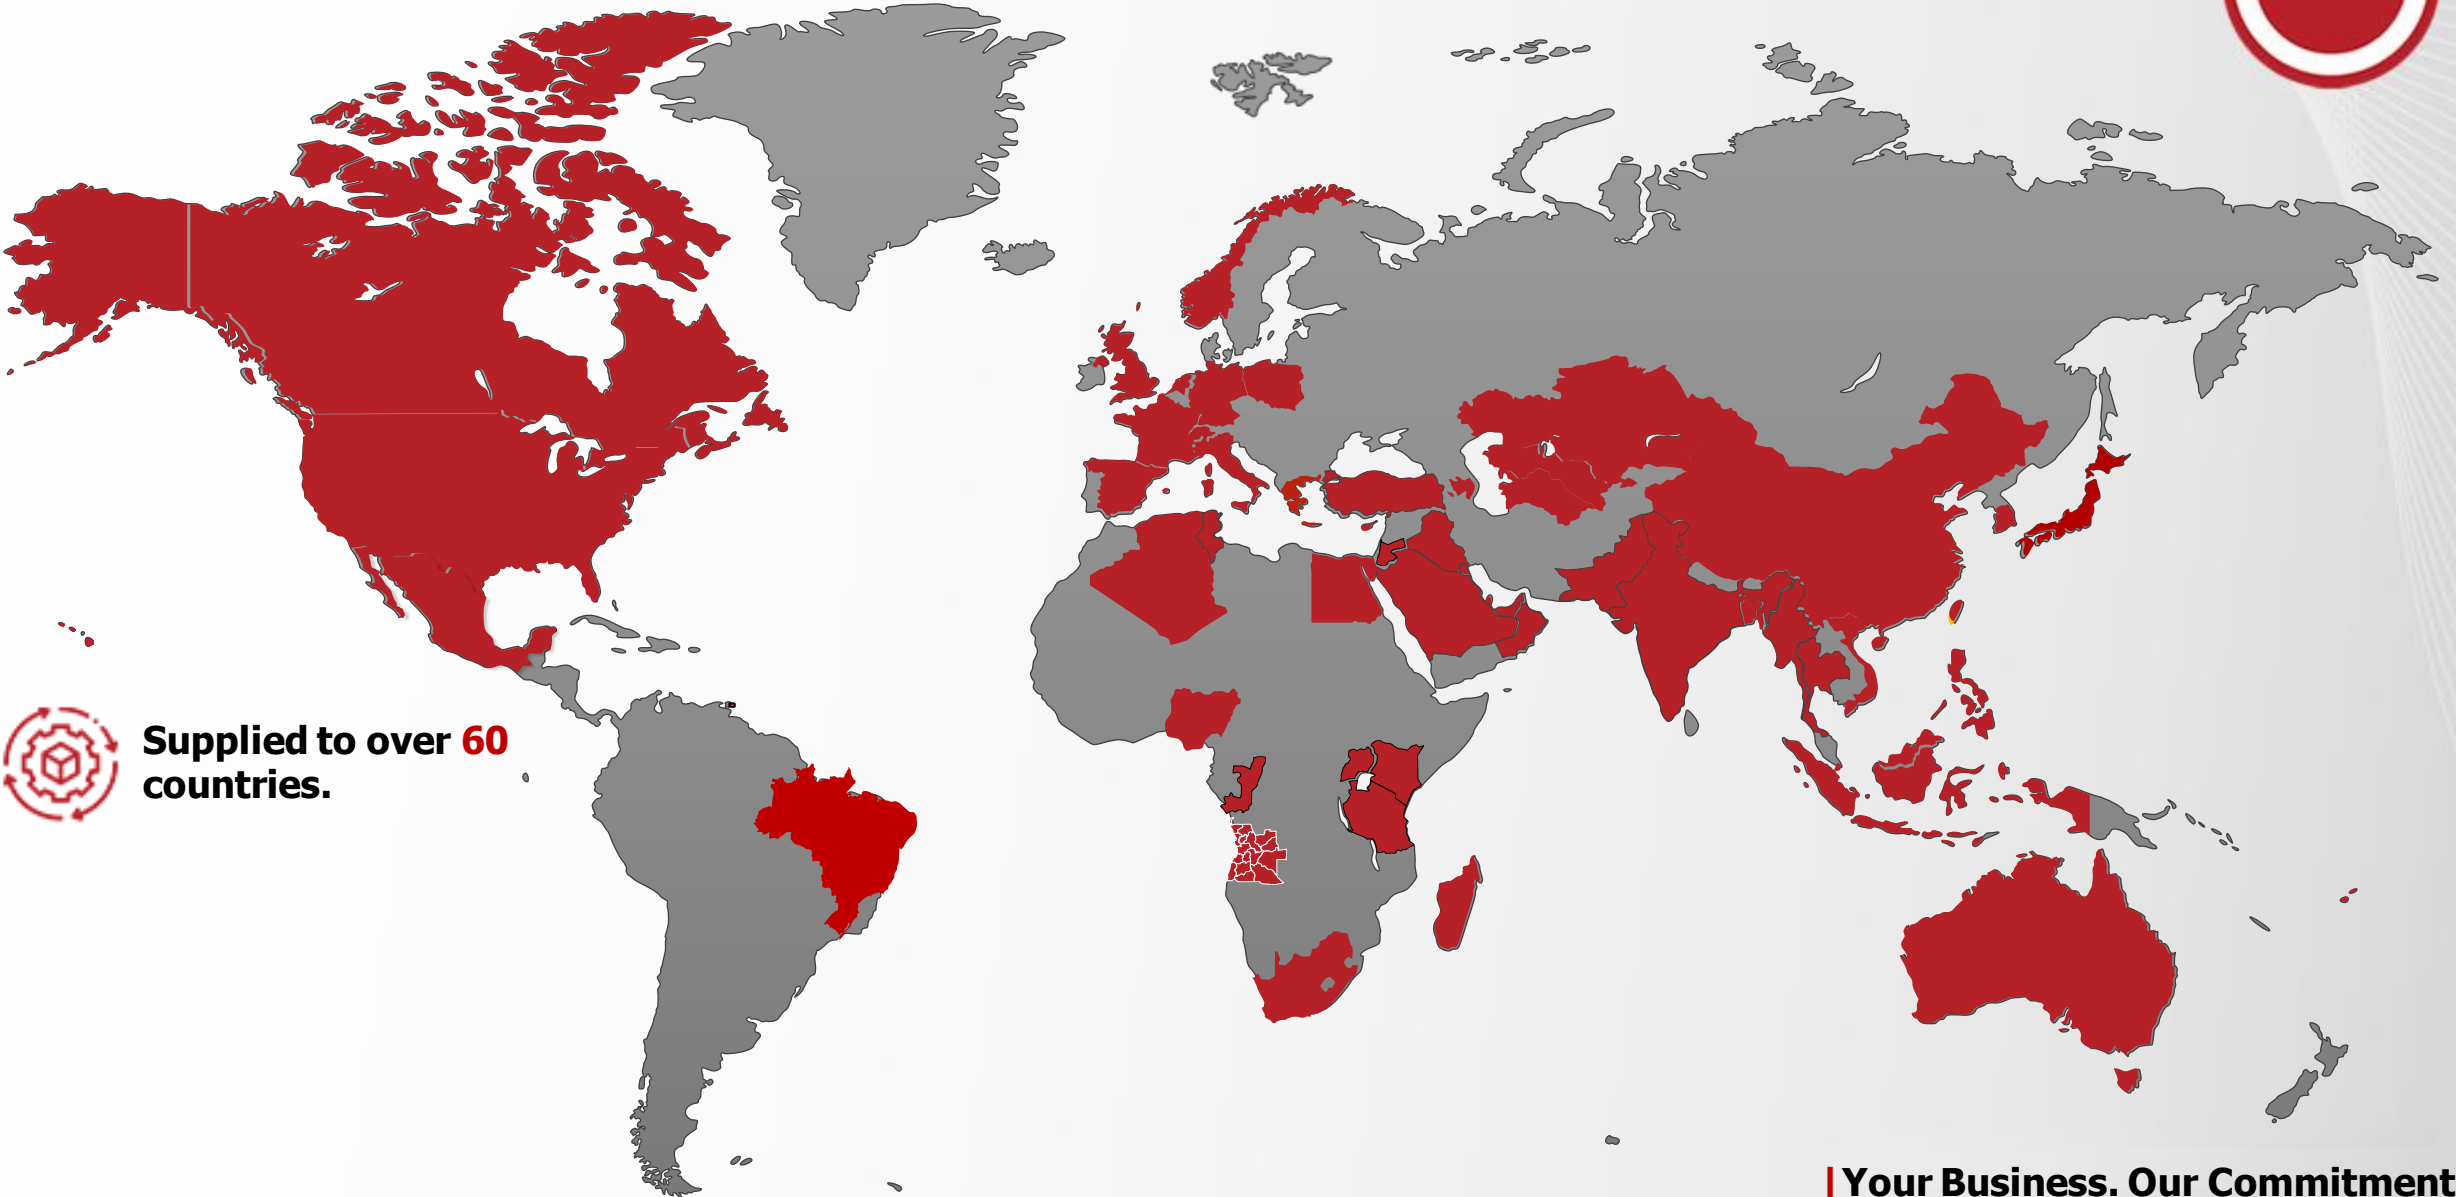

- **Oil And Gas Downstream**
- **Oil And Gas Midstream**
- **Oil And Gas Upstream**
- **Water Desalination**
- **Power Industry**
- **Food And Processing Industry**
- **FPSO**
- **HVAC And District Cooling**
- **Construction**
- **Supply Chain Expertise**
- **Technical Expertise**

| Your Business Our Commitment |

# Projects Supplied - Countries

Supplied to over **60** countries.

**| Your Business. Our Commitment |**

# Projects Supplied | Key End-Users

- ADNOC
- Basra Oil Company
- Basrah Gas Company
- British Petroleum
- Dangote
- DEWA

# Projects Supplied | Key Fabricators

## Regional End Users

- ABJ Engineering
- Alderley FZE
- Alucore
- Fabtech
- FTV Proclad
- Heavy Engineering Industries
- Naser M Al-Baddah
- Quality International Co. Ltd.
- Special Technical Services
- Cladtek Indonesia
- Ferarrfab
- Hidayath Heavy Industries.
- Arab Shipbuilding
- ABM KNN Hudson
- Prestige Engineering Industries LLC
- Arabian Industries LLC

# Our Procurement Coverage

 Sourcing from **30+** Countries.

Extensive global vendor supplier coverage for a wide range of quality products in all grades, sizes, and constructions.

**| Your Business. Our Commitment |**

# Products

- Pipes
- Fitting
- Flanges
- Gasket, Nuts & Stud Bolts
- Valves
- Pumps
- Drill Bits
- Connectors
- Others

Your Business Our Commitment

We supply seamless and welded pipes in all grades - carbon steel, alloy steel, stainless steel, duplex, super duplex, carbon alloy steel, and higher alloys.

Material	Norms	Range	Grade
Carbon Steel – Seamless	API, 5L, A106, A53, A333	1/4"- 24"	B, X42, X52, X60, X65,X70, X80 GrA, GrC Gr3, Gr6
Carbon Steel – Welded	API5L, A53, A671, A672	2"-120"	B, X42, X52, X60, X65,X70, X80 CC60, CC65
Alloy Steel - Seamless	A335	1/2"- 24"	P1, P11, P12, P22, P5, P9, P91, P92
Alloy Steel - Welded	A691	2"-120"	1CR, 1 1/4CR, 2 1/4CR, 5CR, 9CR, 91
Stainless Steel & Higher Grades - Seamless	A312, A790, B444	3/8"- 24"	TP304/304L, TP316/316L, TP32,TP321H, TP347, TP347H, UNS, S31803, S32750, N06625, N04400, N08825, N10276
Stainless Steel & Higher Grades - Welded	A312/A358, A790, B474	2"- 80"	TP304/304L, TP316/316L TP321,TP321H, TP347, TP347H,S31803,UNS, S32750, N06625, N04400, N08825, N1027

# Fittings

Supplier of forged and butt-weld fittings in all sizes, grades, and construction.

Material	Norms	Range	Grade	Types
Carbon Steel Seamless/Welded	A234, A420, A860 MSS, SP75	1/2"- 96"	WPB, WPL6, WPHY42, WPHY52, WPHY60, WPHY65, WPHY70, WPHY80	<ul style="list-style-type: none"> <li>○ Caps &amp; End</li> <li>○ Reducer</li> <li>○ Nipples</li> <li>○ Coupling</li> <li>○ Plugs</li> <li>○ Olets</li> <li>○ Elbow</li> <li>○ Tees</li> <li>○ Others</li> </ul>
Carbon Steel – Forged	A105N, A350, A694	1/4"- 4" 1/2"- 2"	LF2, F42, F52, F60, F65, F70	
Alloy Steel - Seamless/Welded Forged	A234, A182	1/2"- 96" 1/4"- 4"	WP11, WP22, WP5, WP91 F1, F5, F11, F12, F22, F91, F92	
Stainless Steel - Seamless/Welded Forged	A403, A815, A182	1/2"- 48" 1/2"- 16" 1/4"- 4"	WP304/304L, WP316/316L, UNS S31803, UNS S32750, F304/304L, N06625, F316/316L, F50, F51, F52, F53, F54, F55, F57, F60, F61	

# Flanges

Gerab Supplies a wide range of ASME flanges in class 150 to 2500 and API flanges in class 2000 to 20000.

Material	Norms	Range	Grade	Types
Carbon Steel	A105N, A350, A694, A707	1/4"- 72" , 12"- 48"	LF2, F42, F52, F60, F65, F70, L3 CL3, L5 CL3	<ul style="list-style-type: none"> <li>○ Blind</li> <li>○ Lap Joint</li> <li>○ Long Weld neck</li> <li>○ Nipo</li> <li>○ Orifice Slip On</li> <li>○ Orifice Threaded</li> <li>○ Orifice Weld neck</li> <li>○ Reducing Slip On</li> <li>○ Reducing Socket Weld</li> <li>○ Reducing Threaded</li> <li>○ Reducing Weld neck</li> <li>○ Slip On</li> <li>○ Socket weld</li> <li>○ Spacer</li> <li>○ Spade</li> <li>○ Spectacle</li> <li>○ Threaded</li> <li>○ Weld neck</li> <li>○ Weldo</li> </ul>
Alloy Steel	A182	1/2"- 48"	F1, F11, F12, F22, F5, F91, F92	
Stainless Steel & Higher Grades	A182, B564	1/2"- 60" 1/2"- 24", 1/2"- 60"	F304/304L, F316/316L, F50, F51, F52, F53, F54, F55, F57, F60, F61, N06625	

# Gaskets

We supply a comprehensive range of gasket types across a wide range of sizes and material compositions in all metal grades, construction, and with applicable insulation kit options.

Material	Construction	Range	Types
Carbon Steel/Stainless Steel with Outer, Inner Ring & Winding	Spiral Wound Gaskets	1/4"- 48"	<ul style="list-style-type: none"> <li>○ Spiral Wound</li> <li>○ Ring Joint</li> <li>○ Compressed NAF (CNAF)</li> <li>○ Synthetic Fiber</li> <li>○ Flexible Graphite</li> <li>○ Compressed Asbestos</li> <li>○ PTFE</li> <li>○ Rubber</li> </ul>
Compressed Fibre Jointing Material - Neoprene, Epdm, Viton, NBR & Silicon	Non-Asbestos soft cut Gaskets	1/4"- 48"	
Soft Iron, Stainless Steel, - 304, 316/316l in R, RX, BX, API 16.20 & API 6A	Ring Joint Gaskets	1/2"- 24"	

# Nuts & Stud Bolts

Supplier of nuts & and stud bolts for high temperature and high tensile applications in carbon steel, alloy, and stainless steel & higher alloys.

Product	Grade	Range	Type
Stud Bolts	B7, B7M, B8, B8M L7, L7M	1/4"- 3" 1/4"- 2"	<ul style="list-style-type: none"><li>○ Stud Bolt</li><li>○ Nut</li><li>○ Stud Bar</li><li>○ Jack Screw</li><li>○ Washers</li><li>○ U bolts</li></ul>
Nuts	2H, 2HM, Gr4, Gr8, Gr8M	5/8"- 3"	

# Valves

Our supply of valves includes a comprehensive range of gate, globe, check, ball, and butterfly valves. In all varieties of carbon steel, stainless steel, duplex, Bronze, and Iron.

Material	Size Range	Class Range	End Type Range	Standard/Specs	Types
<ul style="list-style-type: none"> <li>○ Carbon Steel Forged</li> <li>○ Carbon steel casting</li> <li>○ Stainless Steel</li> <li>○ Super Duplex</li> <li>○ Stainless Steel</li> <li>○ Ductile Iron</li> <li>○ Bronze</li> <li>○ Inconel Alloy</li> <li>○ Monel</li> </ul>	<ul style="list-style-type: none"> <li>○ Less than 2"</li> <li>○ 2"- 60"</li> </ul>	<ul style="list-style-type: none"> <li>○ 150 LB -4500 LB 2K</li> <li>○ PSI – 20K PSI</li> </ul>	<ul style="list-style-type: none"> <li>○ Flanged End</li> <li>○ Welded End</li> </ul>	<ul style="list-style-type: none"> <li>○ API 64</li> <li>○ API 6D</li> <li>○ API6DSS</li> <li>○ API600</li> <li>○ API602</li> <li>○ TAT</li> <li>○ UL/FM</li> <li>○ BS1873</li> <li>○ BS1868</li> <li>○ API594</li> <li>○ ISO 17292</li> </ul>	<ul style="list-style-type: none"> <li>○ Ball API 6A</li> <li>○ Ball</li> <li>○ Butterfly</li> <li>○ Check API 6A</li> <li>○ Check</li> <li>○ Choke</li> <li>○ DBB Plug</li> <li>○ Ductile Iron</li> <li>○ Gate API 6A</li> <li>○ Piston</li> <li>○ Gate API 6A</li> <li>○ Globe</li> <li>○ Hipps-high integrity pressure Protection System</li> <li>○ Instrument</li> <li>○ Motor Operated- Mov</li> <li>○ Needle</li> <li>○ Plug API 6A</li> <li>○ Plug</li> <li>○ Pneumatic</li> <li>○ Shut Down-SDV &amp;ESDV</li> <li>○ UL/FM Certificate</li> <li>○ safety</li> </ul>

# Pumps

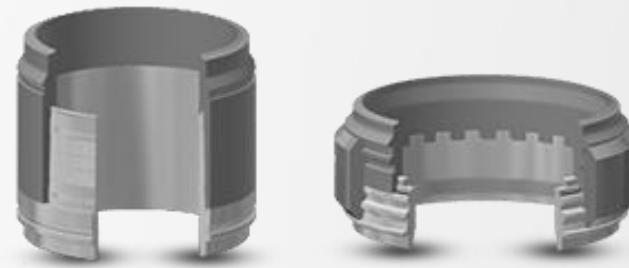

## Regional End Users

Gerab Supplies pumps of various types and standards to suit the oil, power, and process industries.

Type	Applications	Key Features
<ul style="list-style-type: none"> <li>○ ESA Single Stage End Suction Process Pump</li> <li>○ RCH Series High Pressure Pump</li> <li>○ DCSG/Z Diffuser Style Double Casing Pump</li> <li>○ SCSG Diffuser Style Single Casing Pump</li> <li>○ LDBA Diffuser Style Multistage Vertical Pump</li> <li>○ RCG Series In-Tank Pump</li> <li>○ HDD-T/TD Two Stage radially split heavy-duty process pump</li> <li>○ SCSK Axially Split Multistage Pump</li> <li>○ Axially Split Casing Double Suction Pump</li> </ul>	<ul style="list-style-type: none"> <li>○ Refineries</li> <li>○ Petrochemical Plants</li> <li>○ Crude Oil And Liquefied Gas Transportation</li> <li>○ Oil Drilling</li> <li>○ Pulp &amp; Paper industry</li> <li>○ Water Treatment Plant/ Water Transport</li> <li>○ Auxiliary system</li> <li>○ LNG Terminal /Peak station/ Power Plant/Transportation</li> <li>○ Propane Dehydrogenation Unit</li> <li>○ Ethylene Unit &amp; Transportation</li> <li>○ Power Generation Plant</li> <li>○ Food Metals &amp; Fertilization</li> <li>○ District Cooling/Heating</li> <li>○ Flood Control</li> </ul>	<ul style="list-style-type: none"> <li>○ High Efficiency</li> <li>○ High Strength Design</li> <li>○ Reliable Configuration</li> <li>○ Convenient &amp; Low Maintenance</li> <li>○ Digital monitoring</li> <li>○ Pressure Casing</li> <li>○ Excellent Performance</li> </ul>

**| Your Business. Our Commitment |**

# Connectors

Gerab provides extensively tested and field-proven connectors.  
Gerab is having a tie-up with the OilStates to supply the connectors.

Connector Type	Key Features	Applications
<ul style="list-style-type: none"> <li>○ Merlin™ Connector</li> <li>○ Lynx™ Connector</li> <li>○ Leopard Connector</li> <li>○ Puma Connector</li> <li>○ Specialty Connectors</li> <li>○ Swift Connector</li> <li>○ MMR Connector</li> <li>○ Specialty Welding</li> </ul>	<ul style="list-style-type: none"> <li>○ Extensively tested, including pressure, bending, tension, &amp; fatigue</li> <li>○ 100% dimensionally checked as standard</li> <li>○ Fast makeup/break out</li> <li>○ Reusable</li> <li>○ Gas-tight, metal-to-metal seal</li> <li>○ Field proven</li> <li>○ Easy disconnect subsea</li> <li>○ Critical welding for deep water applications</li> <li>○ Cladding services</li> </ul>	<ul style="list-style-type: none"> <li>○ TLP tether connectors</li> <li>○ High-pressure drilling riser connections</li> <li>○ FLNG water uptake riser connections</li> <li>○ Casing and conductor applications</li> <li>○ High-pressure workover/completion riser connections</li> <li>○ Overshot or other LP riser connections</li> <li>○ Manual release conduit</li> <li>○ Jack-up or platform exploration or production drilling</li> <li>○ New and asset integrity of seawater, fire water, &amp; other caisson applications</li> </ul>

# Drill Bits

Supplier of diamond PDC bit with matrix body or steel body, ballset bit, natural diamond bit, core bit, and special application diamond bit sized from 3-1/2" to 26".

Product	Raw Material	Blade Feature	Gauge Feature
<ul style="list-style-type: none"> <li>○ Tough - Drill PDC Bit</li> <li>○ High-Speed PDC Bit</li> <li>○ Directional - Drill PDC Bit</li> <li>○ Core Bits</li> <li>○ Specialty Bits</li> <li>○ Tri – Diameter PDC Bit</li> <li>○ Torsional Impact Generator</li> </ul>	<ul style="list-style-type: none"> <li>○ Normal Single - Row</li> <li>○ Double - Row</li> <li>○ Triple - Row</li> <li>○ Hybrid - Row</li> </ul>	<ul style="list-style-type: none"> <li>○ Asymmetric Blade</li> <li>○ Vertical Blade</li> <li>○ Spiral Blade</li> </ul>	<ul style="list-style-type: none"> <li>○ Thermally Stable Diamonds</li> <li>○ Double Row PDC Cutter</li> </ul>

# Other Products

- Cold bends
- Dish end
- Dismantling joint
- End seals
- Expansion joints/bellows
- Fire hydrants
- Fiberglass grating
- Insulation joints
- Passive cooling shelters
- Pig launchers/receivers
- Piping spools
- O rings
- Pressure & temperature gauges
- Process skids and modular assembly
- Shell & tube heat exchanger
- Shrink sleeves
- Soluble rings
- Steel bevel protector clamp
- Steel grating
- Strainers oil & gas
- Welding rods
- Tubular Connector
- Marine Crane
- Custom design crane
- Camlock / Quick / Hose Casing insulators

**| Your Business. Our Commitment |**

# Value Added Services

## Fabrication

- Cold bend
- Custom-made barred TEE
- Induction bend
- Pipe spooling
- Structural fabrication
- Pipe cutting & beveling
- Orifice & jackscrew
- Machining
- Pickling & passivation

## Coating & Lining

- 3-layer Polypropylene coating
- Fusion Bonded Epoxy
- Carboline
- Cement lining
- Cladding
- Concrete weight
- Electroplating
- Galvanizing
- Liquid epoxy
- Polyurethane
- PTFE lining
- Rubber lining
- Thermal spray
- TK coating

## Other Services

- Custom packing
- Engraving
- Color coding
- Valve automation
- Tagging
- Marshalling
- Storage
- Preservation – cleaning & varnishing
- Segregation for inspection
- Inventory management
- Mechanical testing
- Chemistry testing
- Corrosion testing
- Metallurgy testing
- NDE testing
- Hydro testing

**| Your Business. Our Commitment |**

## ○ ADNOC

### **OPTIMUM SHAH GAS EXPANSION PROJECT**

**\\** With Reference to the captioned subject and COMPANY's previous correspondence regarding commitment for the timely delivery of the materials required for the shutdown, the company recognizes and appreciates the efforts and mitigation plans exercised by M/s. Gerab National Enterprises L.L.C, in delivering the Piping Bulk Material on time as per PO committed dates during the difficult times of COVID-19 Pandemic to support the PROJECT shutdown schedule, the company would like to thank M/S. Gerab National Enterprises L.L.C for the support and would endeavor for future Business. **\\**

## ○ LINDE

Over the years, Gerab has become one of the most preferred suppliers for all our piping requirements across the globe. Having a dedicated team over the last decade has helped a lot wherein the team knows the exact requirements and, in some cases, they have even helped us in optimizing material selection for some of our projects.

The team is extremely dedicated, tries to incorporate our feedback and strives for successful job completion as per the client's requirement, they do not hesitate to assist us even during National holidays or weekends.

We request the same level of dedication & support over the coming years and will definitely recommend others who strive for perfection

## ○ DANGOTE

**W** On behalf of DANGOTE OIL REFINING COMPANY LIMITED (DORC) & DANGOTE PETROLEUM REFINERY AND PETROCHEMICALS FREE ZONE ENTERPRISE (DPRP), I would like to thank you and appreciate for sincere efforts and extended support by GERAB NATIONAL ENTERPRISES L.L.C. for our prestigious project DANGOTE PETROLEUM REFINERY AND POLYPROPYLENE PLANT, LEKKI FREE TRADE ZONE, NIGERIA.

Supplying the Piping materials on time is the crucial part of our project. With you and your team's support; be it sourcing, expediting or commitment on delivery on our various orders for the past 5 years, Gerab has helped us in timely completion of various modules of this strategic project.

It is definitely a true demonstration of the culture we created together that we were able to achieve the desired milestones and accomplish the target we set. This quality service will help in re-enforcing our alliances with Gerab as a preferential partner for other DANGOTE Projects as well.

We are very appreciative of your assistance and look forward to continue to work together.

Good to know of a Company that lives and truly believes in "Your Business. Our Commitment" **W**

## ○ TOTAL Energies FIJI

**W** We have always considered Gerab as a reliable supplier for all our project materials covering Valves, Piping, Fitting as well as other material procurement .. Being Total Energies approved supplier it adds additional confidence in terms of material quality, specification, and delivery timeline ..

Also, Gerab's Single point contact helps us to resolve any technical queries in matters of quality and Specification ..

We look forward to continued support from our approved supplier in the coming days as well. **W**

# THANK YOU
